QUEEN

Anita Ditzel has been selected by Sveaborg Lodge #449 VOA, Concord to be Queen. She is 25 years and is the daughter of Solweig Sandell and Jack Ditzel. She has spent summers in Sweden with her mother, visiting relatives in her mother's home town of Linköping. These trips made it possible to learn more about her background language and culture. Her Swedish connection also grew stronger when her father married Ami Rådstrom, a Swedish teacher in Walnut Creek. Last summer Anita moved in with her dad and stepmother, in order to help Ami take care of her father who has Alzheimer's disease. Though I don't have much spare time, I like to visit with my big family and friends, go to concerts and movies, and spend time outdoors.

Anita has been an active member in Vasenbladet, Sveaborgs children's club. Throughout elementary school and into her sophomore year in high school, she also took part in Swedish language classes and now consider herself bilingual. When she has children of her own, she plans to enroll them in Vasabladet and in Swedish language classes so they may enjoy learning about their heritage the way she has. Both Anita's mother and stepmother are long time members of Sveaborg Lodge.

Anita is currently a student at California State University East Bay, Hayward, working towards her bachelor's degree in mathematics with a minor in psychology, and plans on teaching high school math. She also works part time as a sales assistant at The Produce Exchange in Livermore.

She enjoyed greatly Midsummer in Sveadal. This is a special year for her, as she is following in her sister's footsteps. In previous years, she has represented Sveaborg Lodge as a Maid of Honor, Columbia and Svea. She thanks Sveaborg Lodge for selecting her as Queen.

SVEA

Bonnie Bowman has been selected by the Sveadal Cabin Owner's Association as Svea. Bonnie turned 21 last June, and is a recent graduate of Santa Clara University. She has recently been accepted into the Credential Program in the Santa Clara University Graduate School of Education, starting this fall. Her psychology major and mathematics minor will be very helpful as she plans on becoming a high school math teacher. The upcoming fall will also mark her fifth and last season with the Santa Clara Women's Soccer Team.

Balancing a rigorous athletic schedule with demanding academic responsibilities during the last four years has taught her to have fun as well. She loves camping, playing tennis and going on long walks on the beach.

Sveadal has always been a very special place to her. Her maternal grandparents, Erik and Mary Ann Erikson, own a cabin there and she can honestly say that Sveadal is her second home. Thank you so much to the Cabin Owners Association for selecting her as this year's Svea. It is truly an honor.

Bonnie's family has been involved with Swedish American Patriotic League's Midsummer Festivals for several generations. Julie Bowman, Bonnie's mother, was Svea in 1979, and her Morfar Erik Erikson, is a Past President of the Swedish American Patriotic League.

COLUMBIA

Stephanie Van Horn represents the Sveadal Club. She is the 19 year old daughter of Jeff and Elise Van Horn, and lives in San Jose with her parents and brother Bryan. Her great-grandparents were Gus and Anita Nelson, and Axel and Greta Olsson. Her grandparents are Ann Marie and the late Rich Van Horn, and Ivar and the late Vera Nelson. She is fortunate in having many aunts, uncles and cousins in her life. All of her summers have been spent enjoying everything Sveadal has to offer: nature, recreation, family and friends.

Sveadal was the beginning of her work experience. Like all summer jobs, the days were long, the tasks varied, but she thoroughly enjoyed the people she worked with on a daily basis.

She is a 2005 graduate of Santa Teresa High School and is now attending West Valley college completing her general education requirements. Currently her major is communications - but who knows, that might change. She likes water polo and swimming, and these sports gave her the experience to play with athletes from around the world.

She is honored to represent Columbia in this year's Midsummer, and thanks the Sveadal Club for selecting her.

Her mother Elise was Queen in 1984 and her Farmor Ann Marie was Queen in 1954. both Ann Marie and Richard Van Horn have been Presidents of the Swedish American Patriotic League.

SWEDISH AMERICAN PATRIOTIC LEAGUE SAN FRANCISCO

In January 1895, the Swedish American Patriotic League was formed as an outgrowth of the Sweden Day committee for the Midwinter Fair in 1894. The idea of a permanent Swedish central organization to coordinate similar events in the future was proposed. The League was to consist of representatives from all interested Swedish organizations in the Bay Area, with the number of delegates to be determined by the number of members in each organization. The goals of the organization were: (1) to be active on behalf of the Swedes in California by supporting their mutual interest (2) to encourage them to act together (3) to arrange for a celebration of Midsummer Day (4) to assist and help interested countrymen, and (5) to promote the acquisition of a Swedish building. The present organizations that are members of the League are: the **Swedish Society of San Francisco, Swedish Ladies of San Francisco, Swedish Club of San Francisco and the Bay Area, Vasa Order of America Lodges Fylgia Lodge No. 119 of San Francisco, Lindbergh Lodge No. 494 of Palo Alto, Linnea Lodge No. 504 of Petaluma, Svea Lodge No. 348 of San Jose**, in addition to the **Sveadal Club, Sveadal Cabin Owners Association and the Silicon Vikings.**

The League member organizations have acted together as a group to entertain various people of distinction including members of the Royal Family. The League has played an active role in both San Francisco fairs: the Pan Pacific Exposition in 1915 and the World's Fair in 1939-40. They support various endeavors to further Swedish ethnic activities. The Sveadal property purchased in 1926 was envisioned first as a retirement home and eventually as a summer resort for members. The Clubhouse was dedicated by Crown Prince Gustav Adolph that same year. The lovely old historic building was completely destroyed by fire in 1979. The League worked diligently to replace it and did so completing the new building in 1986. The new Clubhouse was dedicated by the Crown Prince's granddaughter Princess Christina in 1988. Much of its activities today revolve around the operation, upkeep and improvement of the Sveadal summer facility. There are 49 privately owned cabins on the 108.2 acre property. There are 10 rental units on the premises for the enjoyment of members and their friends. Weekly family dinners and numerous sporting events are held throughout the summer. Member organizations take advantage of the bucolic setting and plan club outings to enjoy the unique and peaceful setting.

A Midsummer Festival has been held each year in the San Francisco area since the first one in 1894 at the Midwinter Fair. This year the 112th Midsummer will be held in Sveadal and it is the longest festival of its kind outside of Sweden. It is part of the legacy that we, the descendants of the wave of immigrants that came to this country during the last century, are trying to preserve for the enjoyment and edification of our children. We have a fascinating legacy to pass on of both the culture of Sweden and America.

SWEDISH SOCIETY OF SAN FRANCISCO

The Swedish Society of San Francisco is the oldest Swedish organization on the West Coast. It was formed in 1873 first as a singing club. The first president was N.P. Jacobson. By 1875 the members decided that they wanted a broader goal, namely to serve as a benefit organization for members in need and to hold Swedish literary and social entertainments. The chorus remained an active entity within the now larger club. They established a library which was housed in Scandia Hall, subsequently destroyed in the '06 fire and quake. In the aftermath of that catastrophic time, the Society decided to buy property at Sanchez and Market Streets and build a new Swedish Hall. This was done with all possible speed and the Swedish Hall was ready for use in December of 1907. The Hall is being refurbished and improved for an anticipated 100 year birthday party in the fall of 2007. The Society's primary activity now is the management, maintenance and operation of this lovely old building. The Society is no longer open for general membership but have an elected board of officers, directors and committee members for the above functions. They created a new reception area on the street floor, refurbished a new library and archival room in the building which will have books, pictures and records of some of the Swedish organizations in the area and copies of our 120 year old Swedish/American newspaper Vestkusten. Several Swedish organizations hold their regular meetings in the Hall and it is also rented out for other cultural events, weddings, seminars and musical concerts. The Society meets monthly at the Hall. The current president is Ernst A. Jensen.

SWEDISH LADIES SAN FRANCISCO

The Swedish Ladies Society of San Francisco was formed in 1896 at the behest of the Swedish Men's Society. They wanted their wives to have a safety net organization to assist those in need from bereavement, sickness or ill fortune. There were 105 charter members. Membership was limited to Swedish women either by birth, marriage or descent. Selma Söderberg Hanson was the first president. The goals of the organization were to provide financial help to members in need and also to further Swedish culture in the new land. Membership is now available only for social activities. The club has provided good fellowship for its members now numbering about 21. They have a lovely annual Christmas party at the Olympic Club each December. Meetings are held at the Swedish Hall on the second Thursday of the month and usually involve lunch, games and good conversation. Many of the members are the daughters, granddaughters and great granddaughters of the original club members. Ramona Kuhnle Talbot is the current president.

FYLGIA LODGE VOA NO. 119 OF SAN FRANCISCO

Fylgia Lodge was the first Vasa Organization in the Bay Area and formed in 1907. The first chairman was G. Alfred Johnson with a starting group of 34 members. The Vasa Order was started as a safety net for members and the additional goal of promoting Swedish culture. The name Fylgia is from Norse mythology and was a tutelary guardian spirit watching over a person or family. Over the years, the club was famous for its Drill Team which still performs at some Swedish functions. The Lodge has always paid special attention to children to instill pride of their ethnic background through language classes, music and dancing. Their new activity is saving archival material about Swedish immigrants. Meetings are held the second Tuesday of the month at the Swedish Hall with programs featuring Scandinavian culture – speakers, music and pictures. Membership is open to all men and women of Scandinavian descent or marriage. The current Chairman is Robert Olson. Membership now stands at 76.

SWEDISH CLUB OF SAN FRANCISCO AND THE BAY AREA

The Swedish Club was formed in 1913 by Dr. A.O. Lindstrom and a group of Swedish business men of the Bay Area. There were 18 gentlemen at the first meeting. The primary purpose of the new organization was to show courtesy to visiting businessmen from Sweden, to entertain and assist them during their stay here. They wanted to enhance relationships between Sweden and America and open up business possibilities in both directions. It was an early day networking endeavor. Their second goal was to promote and enhance Swedish culture in the new land. Membership was limited to Swedish men, their descendants and those married to Swedish women. Membership now is open to men and women with a Swedish connection and associate membership open to other Scandinavians and to those interested in Swedish culture.

Club activities are held the second Wednesday of the month in Burlingame with dinner and beverages served. The programs usually feature some aspect of Swedish Culture. They have a big Julfest and Lucia party in December, an annual Crayfish dinner in the fall, wine tasting picnic and celebrate Midsummer at Sveadal in June. Membership now stands at 230 charming people. The members of this club have always prided themselves on having a good time while highlighting Swedish customs in music, dancing, holidays and ethnic enlightenment. The current president is Lars Lenck.

SVEA LODGE VOA NO. 348 OF SAN JOSE

Svea Lodge of San Jose was formed in 1916. The first chairman was John Erlandson. They were the first organization to switch from the Swedish language to English in 1948 for the benefit of second generation Swedes. Over the years they have sponsored a youth club and an installation drill team. The club specializes in celebrating Swedish holidays such as Valborgmässoaften with a bonfire and songs. For a while they had their own Midsummer festival but now participate in the League festival in Sveadal. It is a very active group now comprised of about 150 members. They meet on the third Friday monthly and programs consist of history and Scandinavian culture including singing, dancing, traditions and folklore. There is also an active hiking club. The current chairman is Ron Brockway.

LINDBERGH LODGE VOA NO. 494 OF PALO ALTO

Lindbergh Lodge was organized in 1927 and gave the lodge the name of the hero of that time, Charles Lindbergh, who had achieved the impossible ... flying solo across the Atlantic. The first chairman of the Lodge was Ernest Thorson. The primary goal of the organization is to perpetuate Scandinavian heritage. Membership is open to all Scandinavians by birth, descent or marriage. They hold a Lucia fest and Pageant and this year will celebrate their 79th year. Programs are related to the customs, history, music, culture of Scandinavia and other topics of interest. Meetings are held on the second Friday of the month and frequently feature a Scandinavian dinner. There are 70 members. The current chairman is Charles Wallin.

LINNEA LODGE VOA NO. 504 OF PETALUMA

Linnea Lodge was formed in November 1927 in Petaluma and by the close of that year there were 88 enthusiastic members. The first Chairman was John C. Gustafson. The primary goal of the organization was to assist members at times of distress and to perpetuate the Swedish heritage of their forefathers. Traditional music, songs and dancing are enjoyed by members. There is a children's club and a scholarship fund is available. The club has its own Midsummer Festival, a Lucia Day and feature typical Swedish dishes at meetings. Membership requirements are 15 years of age and a Scandinavian connection by birth or marriage. There are currently 88 members and meetings held monthly on the fourth Friday. Ann Conger is this year's Chairman.

SVEADAL CLUB

The Sveadal Club was formed in 1949 with George Norin as the first president. The original group of five swelled from 60 at the first gathering to about 90 within a short time. The purpose of the organization was to maintain and improve the Sveadal recreation grounds and to promote traditional Swedish customs with particular attention to supporting youth participation. This group has been very successful in providing much of the materials, labor and money for the maintenance of the grounds and improvement projects instituted over the years since its inception. Work weekends are held in the spring to get the park ready for summer activities. The club holds an annual golf tournament, Love 30 tennis contest, a ski weekend, Christmas party, Lucia fest and a Sveadal Day costume party. Meetings are held in February, May, October and as needed. Membership requirements are over the age of 18 and a willingness to fulfill the club goals. Membership is now about 300. Brian Parks is the current president.

SVEADAL CABIN OWNERS

The Sveadal Cabin Owners Organization was formed in May 1974. All cabin owners are voluntary members of this important organization. The first president was Earl Harvey. There are currently 49 cabins and most of them have representation at the meetings which are held at least twice a year (May & September) or as needed. Their primary concern is with the Sveadal community problems and how to solve them: especially those involving water, fire danger, cabin maintenance, and general upkeep of the grounds. All suggestions for improvements are submitted to the Sveadal Board of Governors for approval before any action is undertaken. They have a vested interest in keeping Sveadal in top shape and contribute many man/woman hours to achieve this. They are heavily involved in almost every aspect of Sveadal especially during the summer and participate in all of the activities for adults and for children. This Club is considered the backbone of the community by everyone. The current president is Mark Hanley.

SILICON VIKINGS

The Silicon Vikings was formed in 1997. Kjell Olson, Magnus Erikson and Hakan Lindh were the instigators of this club. With the prevalence of many technical Swedish people on the peninsula, they thought it would be a great opportunity to create an organization where they might meet and exchange ideas and concepts. It is primarily a networking group. They host gatherings that are of professional and personal value and provide valuable information and effective communication to members. The membership represents more than 600 companies and they have over a thousand members. The Vikings have arranged a number of Swedish events and have breakfast and luncheon meetings with such ethnic features as crayfish parties, Valborg celebration and Lucia fests. They launched a web site in 1999 and publish articles and a newsletter. The group has official sponsors who are interested in Sweden, technology, business and finance. The diversity of companies represented is very impressive. The president this year is Richard Horning.

GLAD MIDSOMMAR

THE STAR SPANGLED BANNER

Oh say, can you see
By the dawn's early light
What so proudly we hailed
At the twilight's last gleaming?
Whose broad stripes and bright stars
Through the perilous fight
O'er the ramparts we watched,
Were so gallantly streaming?
And the rockets red glare
The bombs bursting in air
Gave proof through the night
That our flag was still there.
Oh say, does that star-spangled banner yet wave,
O'er the land of the free
And the home of the brave?

DU GAMLA, DU FRIA, DU FJÄLLHÖGA NORD

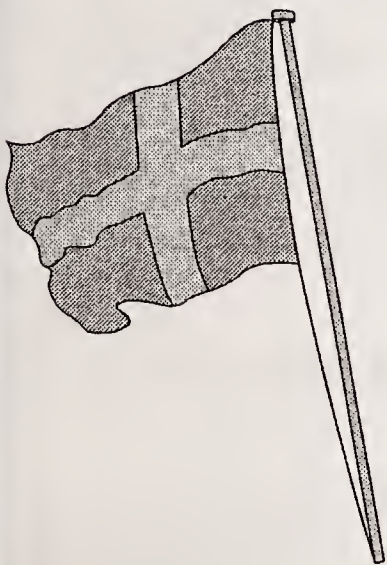

Du gamla, du fria, du fjällhöga Nord,
du tysta, du glädjrika sköna!
Jag hälsar dig vänaste land uppå jord
din sol, din himmel, dina ängder gröna!
Din sol, din himmel, dina ängder gröna!

Du tronar på minnen från fornstora dar,
då ärat ditt namn flög över jorden.
Jag vet, att du är och du blir, vad du var.
Ja, jag vill leva, jag vill dö i Norden,
Ja, jag vill leva, jag vill dö i Norden.

Translation

O glorious mountain crown'd land of the North,
thou quiet thou joyous land, I love thee,
I hail thee as fairest of lands on this earth;
Thy meadows green, the sun in heav'n above thee,
The meadows green, the sun in heav'n above thee.

Thy throne is the mem'ry of great days of yore,
when all through the world thy name was carried,
thou art this, I know, the same as of old.
In thee I'll live, in thee I'll die, thou North Land,
In thee I'll live, in thee I'll die, thou North Land.

SWEDISH AMERICAN PATRIOTIC LEAGUE EAST BAY CHAPTER

The Swedish American Patriotic League East Bay Chapter was founded in the fall of 1916. The purpose of the East Bay Chapter was to offer the Swedish organizations of the East Bay Area an umbrella alliance similar to that provided to their San Francisco neighbors. Their first president was Aron Wilhelm Gustafson. All of the activities that the San Francisco League engages for their member organizations are duplicated for the East Bay Swedish lodges by the East Bay Chapter. The monthly meetings of this organization gave the individual clubs an opportunity to exchange information about their activities and to join together in efforts for larger celebrations. Many of the Swedish events and entertainments involved both sides of the Bay. The San Francisco League invited East Bay Chapter to become a one third partner in the Sveadal property. They hold four appointments to the Board of Governors. All decisions about the betterment and operation of Sveadal are the responsibility of the Board. The East Bay Chapter is a full partner in the operation of Sveadal, Midsummer Celebration and other activities involving the Swedish people of the greater Bay Area. The organizations that are a part of the East Bay Chapter are: **Swedish Society of Oakland, Swedish Ladies-Jenny Lind of Oakland**, and the three Vasa Order of America Clubs in the East Bay: **Tegnér Lodge No. 149 of Oakland, Framåt Lodge No. 405 of Berkeley and Sveaborg Lodge No. 449 of Concord**. The current president of the Oakland League is Karin Sayegh.

SWEDISH MEN'S SOCIETY OF OAKLAND

The Swedish Men's Society of Oakland was organized in March 1901 with 35 charter members, 18 from Oakland and 17 transferring from the San Francisco Swedish Society. The original purpose was to provide financial assistance to members in time of need. N.G. Lindgren was the first president. They also built Jenny Lind Hall in 1915 for the use of Swedish organizations in the area. The Hall was sold in 1962. The purpose of the Society today is primarily for brotherhood, good fellowship and promoting Swedish culture. They have an annual crab feed, Julbord, and other family activities. Membership is open to all men of Swedish birth, descent or marriage. The membership is now 12. Meetings are held monthly on the second Tuesday. The current president is Anders Lundgren.

TEGNÉR LODGE VOA NO. 149 OF OAKLAND

Tegnér Lodge was the second Vasa Lodge formed in northern California in 1908. The first chairman was Hilmer Anderson with 20 charter members. The Lodge chose the name in honor of Bishop and poet Esias Tegnér. Membership was open to Swedish men and women by birth, marriage or descent. They had both a men's and women's drill team in the twenties, later a men's choral group, a children's club and a women's sewing group. They held an annual East Bay Jamboree for all the Swedish organizations in the East Bay. Another popular event held was the Hemlandsfesterna - for the inauguration of new members, music, songs, dancing and a classic smörgasbäsbord dinner. The Lodge holds an annual picnic together with Framåt and Sveaborg, a crayfish party and a Lucia Julfest. There are 41 members. Their meetings usually involve a dinner prepared by the members. They meet on the third Thursday of the month. The current chairman is Laura Nordendahl serving her sixth year in this office.

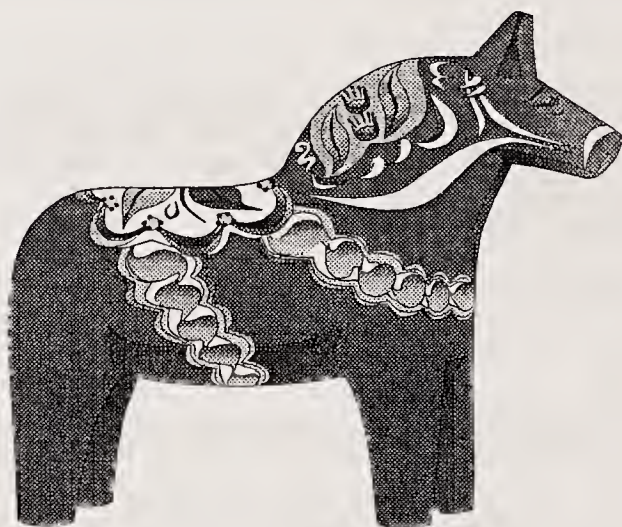

SWEDISH LADIES SOCIETY JENNY LIND OF OAKLAND

The Swedish Ladies Society Jenny Lind was formed in February 1916 with 38 enthusiastic members. They were soon joined by others to bring membership to 100. Agnes Anderson was selected as their first president. There is some evidence that Sally Benson was selected as a 'past president' and may have served in some capacity that first year. Membership is open to members of Swedish birth, descent or marriage. The club first served as a sick and death benefit to members, but changed to a social club in 1992. They have held dances, Christmas parties, and bazaars. The club commissioned a bust of Jenny Lind in 1918 which graced their meeting hall for 60 years. The sculptor Jean LeVeau was the son of the first Swedish minister to the Swedish Lutheran Church in Oakland. The bust was donated to the Swedish Consulate in 1978 and perhaps migrated to Los Angeles when the change of our consular office to an honorary one. It is no longer in San Francisco. Meetings are held on the second Thursday of the month. There are 12 members of the club and the president is Genevieve Carlson.

FRAMÅT LODGE VOA NO. 405 OF BERKELEY

Framåt Lodge was founded in 1921 under the auspices of Agnes Anderson. The first chairman was Otto Lindberg. Their primary goal is to foster Scandinavian cultural activities, to interest the younger generation in these activities, render financial assistance to elderly members when needed and to support cultural affairs. They are active within the Vasa Order of America, this year co-hosting the District Convention. Their activities include a crayfish party, smörgåsbord, Lucia Fest, picnics and a pea soup and pancake supper. In 1927 they built the Framåt Lodge Building in Berkeley, which served as a meeting place for Scandinavian organizations in the East Bay. The building was sold about 10 years later but remains an excellent example of Classical Revival architecture. The building achieved landmark status by the Landmark Preservation Commission in 1997. The group meets on the second Friday of the month. Members must be of Scandinavian birth, descent or marriage. The membership now stands at 45. The current chairman is Robert Homer.

SVEABORG LODGE VOA NO. 449 OF CONCORD

Sveaborg Lodge of Concord was organized in 1924 with 17 charter members. Alfred B. Anderson was the first chairman. The primary purpose of the organization is to promote Swedish culture among the descendants of Scandinavian countries. Their goal is to help members become acquainted with the enchanting heritage, traditions and culture of Sweden. In addition to the regular business meetings they serve typical Swedish dishes such as pea soup, Swedish pancakes, crayfish and a full Christmas smörgåsbord. There is a children's club that frequently performs songs and dances at Swedish gatherings. The club awards an annual scholarship and they make an annual donation to a charity. Swedish language classes are held. The club meets monthly on the third Friday. Membership is open to all Scandinavians and their spouses. The current chairman is Evelyn Ternstrom. Membership now stands at 117.
